

# INEOS Composites

## *colorplas.*

Colorplas are excited to announce our partnership with GRP Solutions.

The new brand is “GRP Gelcoat” which incorporates INEOS base resin, combining core competencies to further enhance the customer’s quality & service experience.

Whatever your Gelcoat/Pigment requirements, you can now enjoy Colorplas products via GRP Solutions & a service that is second to none.

GRP Iso Gelcoat is now available nationally. Please contact your GRP Solutions account manager for more details.

Future Gelcoat developments such as Iso Modified will be launched offering great Cost to Performance Ratios where Colour matching is available to help fit seamlessly in to your processes.
